

SIL DECLARATION OF CONFORMITY

As manufacturer

PR electronics A/S
Lerbakken 10
DK-8410 Rønde

hereby declares that all updates of the products listed in the table below have been carried out following the processes, rules and restrictions lined out in the PR electronics Functional Safety Management system.

This ensures that the updates are done without compromising any safety-related functionality and that the product therefore still complies with the IEC 61508 standard for functional safety.

PR electronics' Functional Safety Management system is certified by Exida Certification S.A. to be in compliance with IEC 61508.

See certificate at www.prelectronics.dk/media/274229/SIL_company_PR_Electronics.pdf
